SCHOOL BASED BEHAVIORAL HEALTH SERVICES

The following change is hereby made to:

1. Section 2, Section III., Subsection B., Part I., Paragraph 1 "Emotional Behavioral Assessment – Comprehensive"

Under the heading Service Description, Item 3, delete items (m), (n), and (o).

Under the heading Service Description, Item 3, insert in the following provisions:

New (m) should read as follows: *"The written report shall address a student's needs and shall not specify a particular service, program, provider or eligibility status. The IEP/MP Team determines whether a student needs a fully self-contained class, residential placement, at-home instruction, etc. All recommendations shall be supported by empirical research."*

New (n) should read as follows: *"Provider information including signature, name and degree(s) of the evaluator, and the position and name of institution/organization of the evaluator is affiliated (if indicated and appropriate)."*

2. Section 2, Section III., Subsection B., Part I., Paragraph 2 "Emotional Behavioral Assessment – Annual Update"

Under the heading Service Description, Item 3, delete items (m), (n), and (o).

Under the heading Service Description, Item 3, insert in the following provisions:

New (m) should read as follows: *"The written report shall address a student's needs and shall not specify a particular service, program, provider or eligibility status. The IEP/MP Team determines whether a student needs a fully self-contained class, residential placement, at-home instruction, etc. All recommendations shall be supported by empirical research."*

New (n) should read as follows: *"Provider information including signature, name and degree(s) of the evaluator, and the position and name of institution/organization of the evaluator is affiliated (if indicated and appropriate)."*

3. Section 2, Section III., Subsection B., Part II., Paragraph 1 "Psychiatric Medication Evaluation"

Under the heading Service Operations, Item 4, add the following provisions:

After the end of the 1st sentence: *" Recommendations shall address a student's needs and shall not specify a particular service, program, provider or eligibility status. The IEP/MP Team determines whether a student needs a fully self-contained class, residential placement, at-home instruction, etc. All recommendations shall be supported by empirical research."*
